Superintendent's Report

To the School Board of Brookfield:

I herewith submit my first annual report as superintendent of schools. It is necessarily incomplete, since I began work in September, 1937, following the untimely death of Supt. J. E. Wignot. I wish here to pay my respects to this worthy school worker.

I find the school in good condition and in the hands of a competent and very faithful teacher. Brookfield should be congratulated on having in its only school a woman who not only handles the school well, but makes much of adult welfare and brings school and community into pleasant and helpful relations. Carol singing at Christmas, a Thanksgiving program at school and a parents' evening are types of this splendid work.

The health work of the school is now in care of Mrs. Irene Jones, the Red Cross nurse. During November and December the work was in care of Mrs. Dorothy Bennett of Wolfeboro, there being no Red Cross nurse engaged at that time. Owing to the broken condition of the work, no attempt will be made to give a statistical report at this time.

The schoolhouse is in good repair and the work of the school has been greatly helped by the installation of electric lights. It is now possible to hold evening gatherings and use the helpful device of visual education through motion pictures. Pictures have been shown dealing with plant life, animal life, land surface, fishing, paper-making, physiology and biography.

Some painting and minor repairs are needed to keep the building in the best condition.

Playground activities are not forgotten and it is planned to introduce volley ball as a new sport in the spring.

Last year, this school, with eleven pupils, had an attendance of 98.83%. This is a fine record, but it has been bettered during the first half of this year, when the percent was 99.2.

Roll of Honor for Attendance

Doris Hooper

Graduates from Brookfield attending High School:

Edith Cate, Nute High School

Frances Witham, Philip Rines, Brewster Free Academy.

It is to be hoped that all future graduates will go to some high school. It would be a wise thing for some girls to plan on attending Normal School and becoming teachers.

Respectfully submitted,

F. W. JACKSON
